

SUMMER EMPLOYMENT OPPORTUNITIES

Does your Troop have Scouts who are 16 years of age or older who are looking for a summer job? We are always looking for high caliber Scouts to serve on camp staff. It is our goal to hire the most enthusiastic, friendly, and energetic staff members possible to provide yet another great summer camp experience.

Camp Pirtle employs its staff for at least five weeks each summer. If your troop has sharp Scouts who are looking for summer work, please have them fill out the form below to request an application. We allow 15 year old Scouts to work as "Counselors in Training" for short periods (usually 1 to 2 weeks) and Scouts 16 and older for the full length of summer camp. We also have many key positions that require adults 18 and/or 21 and older.

All interested individuals should fill out a portion of this form and mail it as soon as possible to request an official application. Send your request to: East Texas Area Council, Summer Camp 2007, 1331 E. Fifth St., Tyler, TX 75701.
