

## Leaders, are you interested in helping out around camp?

Camp Pirtle is always in need of adult leaders who are willing to work on camp improvement projects while attending our beautiful facility. Each week, our Camp Ranger coordinates several projects around camp that need to be carried out.

We are looking for a few adult leaders who can run a saw, turn a wrench, fix a faucet, wire a switch, or that have any other skill that may apply. You don't need to be an expert to help out. All you need to bring is an open mind, and a pair of gloves. Come help out and make Camp Pirtle an even better place for your Scouts.

Also, there might be leaders in your Troop with experience and expertise in the merit badges we offer at Camp Pirtle. We welcome any help your leaders could offer especially if we have CPR instructors at camp. You might just have some unique talent and would like to teach something not offered. We would be glad to arrange this with you in advance.

Please have every leader in your contingent who is interested in helping out fill out the information sheet below and mail it to: East Texas Area Council, George W. Pirtle Scout Reservation, 1331 E. Fifth Street, Tyler, TX 75701.
